## FLOWER RULES AND REGULATIONS

EFFECTIVE MARCH 1, 1962

Real or artificial bouquets are permitted in permanent bronze vases. Cemetery personnel will not disturb the artificial bouquets in permanent vases unless they appear weathered.

Other real or artificial bouquets, potted (plastic pot) flowers and baskets are permitted. During mowing season (**March 1 to October 31**) these decorations are subject to removal at any time except Memorial Day (*see below*). Tin, glass or wire objects are dangerous to mowing equipment, the person operating it and cemetery visitors in the area and are **prohibited**. **No planting allowed.**

From **November 1<sup>st</sup> to March 1<sup>st</sup>**, winter decorations may be left on graves and will not be disturbed by cemetery personnel unless it becomes necessary to make a new burial in the immediate area. Every effort will be made to return the decorations properly following that interment. **Beginning at 7:00a.m. on March 1<sup>st</sup>, all decorations will be removed during our spring cleanup as we prepare for mowing season.** Our personnel will not disturb decorations in permanent bronze vases.

All grave decorations will remain on the grave seven (7) days prior to and after Memorial Day. All grave decorations will be removed on the **Monday AFTER Memorial Day** beginning at **7:00 a.m.** Cemetery personnel will not disturb decorations in permanent bronze vases.

Fresh, artificial, or any other decorations or containers are subject to removal from a new grave five (5) days following the interment. Please remove any items from the grave if you wish to keep them as soon as possible.

### Cemetery Hours:

**8:00 A.M. – 5:00 P.M. October to April**

**8:00 A.M. – 6:00 P.M. May to September**
